

CLEANBRICKS BRAND BIBLE

Brand: CleanBricks

Category: Cleaning & Property Care

Launch Market: Lagos, Nigeria

Brand Position: Modern, reliable cleaning and property-care company

Brand Personality: Clean. Human. Modern. Reliable. Fresh. Confident.

01. BRAND OVERVIEW

CleanBricks is a modern cleaning and property-care brand built around a simple idea:

Clean spaces create better experiences.

The brand provides professional cleaning services for homes, offices, short-let properties, Airbnb spaces and businesses.

CleanBricks combines professional service with a modern customer experience. The goal is not simply to clean a space, but to make people feel better about the spaces they live, work and host in.

The brand is launching in Lagos, Nigeria, with the potential to expand into broader property, facility and home services.

Brand Essence

Cleaner spaces. Better living.

Brand Promise

We make spaces feel clean, fresh and ready.

02. BRAND STORY

CleanBricks was created around a simple observation: the spaces people live and work in affect how they feel.

A clean home feels different.

A clean office feels different.

A clean Airbnb feels different.

CleanBricks exists to make that difference easier to achieve.

The name brings together two ideas.

Clean represents freshness, hygiene, order and care.

Bricks represents buildings, homes, structure and strong foundations.

Together, CleanBricks represents the idea of building better spaces through cleanliness and care.

The brand begins with cleaning, but the ambition is bigger.

CleanBricks is being built to become a trusted name in modern property and home care.

03. BRAND PURPOSE

To make clean, comfortable and well-maintained spaces easier to achieve.

CleanBricks exists to remove the stress of cleaning and give people more time to focus on the things that matter to them.

04. MISSION

To deliver reliable, professional and thoughtful cleaning services that make every space feel better.

We aim to combine excellent cleaning standards with a simple, dependable and human customer experience.

05. VISION

To become one of Africa's most trusted modern property-care brands.

CleanBricks will grow from professional cleaning into a broader ecosystem of property, facility and home services.

The long-term ambition is to make CleanBricks a brand people associate with keeping spaces clean, cared for and ready.

08. POSITIONING

CleanBricks is positioned as a **modern, reliable and human cleaning and property-care brand**.

It sits between traditional cleaning companies and high-end property services.

The brand should feel:

Professional without feeling corporate.

Premium without feeling expensive.

Friendly without feeling childish.

Modern without feeling like a technology company.

Positioning Statement

For homeowners, businesses, property managers and short-let hosts who want clean, well-maintained spaces without the stress, CleanBricks provides reliable professional cleaning with a modern, human experience.

09. BRAND PERSONALITY

CleanBricks is:

Clean

Everything should feel organised, fresh and intentional.

Modern

The brand should feel current without chasing trends.

Human

Customers should feel like they are dealing with real people who care.

Reliable

The brand should communicate consistency and dependability.

Fresh

The visual and verbal identity should create a feeling of freshness and renewal.

Confident

CleanBricks should communicate capability without being arrogant.

Approachable

The brand should feel easy to contact and easy to trust.

Professional

Every customer touchpoint should feel considered and well executed.

10. BRAND VALUES

Reliability

If we say we will be there, we show up.

Care

We treat every space with respect.

Quality

We do not clean just to finish. We clean to a standard.

Trust

Customers should feel comfortable giving us access to their spaces.

Simplicity

We make the cleaning experience straightforward.

Professionalism

Our people, communication and service should reflect the quality of the brand.

Respect

We respect customers, their homes, their businesses and their belongings.

11. BRAND NAME

CleanBricks

Clean represents:

- Cleanliness
- Freshness
- Hygiene
- Order
- Care

Bricks represents:

- Homes
- Buildings
- Structure
- Property
- Stability
- Strong foundations

The combination gives the brand room to grow beyond cleaning.

CleanBricks should not be positioned as a temporary cleaning service.

It should be positioned as a **modern property-care brand that starts with cleaning.**

12. LOGO

The approved CleanBricks logo uses a friendly abstract symbol combining:

- A house or roof structure
- A leaf
- A sun or light element

The symbol represents:

Home + Nature + Freshness + Care

The logo is intentionally simple and approachable.

It should work equally well across digital and physical applications.

Approved Logo Direction

Human + Friendly

The logo should communicate a feeling of a clean, comfortable and cared-for space.

Logo Wordmark

The CleanBricks wordmark should remain clear, confident and highly legible.

Slogan

The primary logo is used **without a slogan.**

Do not add a slogan to the logo unless specifically approved.

13. LOGO CONSTRUCTION

The logo is built around simple, rounded forms.

The symbol should maintain:

- Clear geometry
- Rounded forms
- Balanced proportions
- Strong negative space
- Simple visual hierarchy

The house form provides the structural foundation.

The leaf introduces nature and freshness.

The circular accent introduces warmth and energy.

The logo should always feel balanced rather than overly detailed.

14. LOGO USAGE

Approved

- Full colour logo
- Horizontal logo
- Logo symbol
- White logo on dark backgrounds
- Dark logo on light backgrounds
- App icon using the approved symbol

Clear Space

Maintain sufficient clear space around the logo so that no other element competes with it.

Do Not

- Stretch the logo
- Squash the logo
- Rotate the logo
- Add shadows
- Add unnecessary gradients
- Change the approved colours
- Add outlines
- Add effects
- Rearrange the symbol
- Add unapproved taglines
- Place the logo on visually noisy backgrounds

The logo should always feel intentional and clean.

15. COLOUR PALETTE

Primary Green

HEX: #10B981

The main CleanBricks brand colour.

Represents:

- Freshness
- Growth
- Cleanliness
- Energy
- Care

Secondary Green

HEX: #84CC16

Used as a supporting accent.

Represents:

- Nature
- Freshness
- Optimism
- Energy

Accent Yellow

HEX: #F59E0B

Used sparingly for warmth, highlights and moments of emphasis.

Represents:

- Light
- Warmth
- Optimism
- Energy

Light Mint

HEX: #E3F5E9

Used for:

- Backgrounds
- Cards
- Sections
- Subtle highlights
- Supporting surfaces

Charcoal

HEX: #1F2937

Used primarily for:

- Headlines
- Body text
- Navigation
- Important information

Off White

HEX: #F8FAF7

Used as the primary soft neutral background.

Colour Philosophy

CleanBricks should not look like a rainbow brand.

Green should dominate.

Lime should support.

Yellow should accent.

Mint and off-white should create breathing room.

Charcoal should provide contrast and readability.

16. TYPOGRAPHY

CleanBricks uses two approved typefaces.

Primary Typeface

ABC Diatype

Use for:

- Major headlines
- Campaign headlines
- Hero statements
- Large numbers
- Marketing messages
- High-impact CTAs
- Brand-led communication

ABC Diatype gives CleanBricks its distinctive, contemporary character.

Secondary Typeface

GT Walsheim

Use for:

- Body copy
- Navigation
- Supporting text
- Service descriptions
- Forms
- UI elements
- Longer paragraphs

GT Walsheim brings warmth and approachability to the system.

Typography Principle

ABC Diatype creates personality.

GT Walsheim creates readability.

Together, they create a brand that feels modern, distinctive and human.

Not Approved

Manrope and Inter are **not part of the CleanBricks typography system.**

Do not introduce additional typefaces without approval.

17. ICONOGRAPHY

Icons should be:

- Simple
- Rounded
- Minimal
- Geometric
- Friendly
- Easy to understand

Iconography should complement the logo rather than compete with it.

Avoid overly detailed illustrations.

Avoid generic stock cleaning icons where possible.

If a cleaning icon is required, it should be interpreted through the CleanBricks visual language.

18. PHOTOGRAPHY DIRECTION

Photography should feel:

Real. Bright. Warm. Clean. Human.

Prioritise:

- Real homes
- Modern apartments
- Well-lit interiors
- Clean kitchens
- Clean bathrooms
- Comfortable living spaces
- Professional cleaners
- Human interactions
- Before-and-after transformations
- Property details

People

People should look natural.

Avoid overly staged corporate photography.

Cleaners should look professional, approachable and confident.

Lighting

Use:

- Natural light
- Soft daylight
- Bright interiors
- Warm but realistic lighting

Avoid dark, dramatic or overly edited photography.

Avoid

- Obvious stock photography
- Excessive posing
- Unrealistic spotless environments
- Overly luxurious mansions that feel disconnected from the target market
- Generic cleaning stock images
- Images dominated by cleaning equipment

The space should be the hero.

19. GRAPHIC ELEMENTS

CleanBricks can use simple graphic elements inspired by:

- Rounded geometric shapes
- Blocks
- Curves
- House forms
- Leaves
- Soft lines
- Clean grids
- Organic shapes

Graphic elements should support the idea of:

Clean + Space + Structure + Freshness

They should never become decorative for the sake of decoration.

20. LAYOUT PRINCIPLES

CleanBricks layouts should feel:

- Spacious
- Clean
- Structured
- Modern
- Easy to scan

Principles

Use generous whitespace.

Create strong hierarchy.

Keep information organised.

Use large, confident headlines.

Avoid overcrowding.

Use strong photography.

Use colour strategically.

Allow the green brand colour to create recognition without overwhelming the design.

Overall Feeling

Less clutter. More breathing room.

21. BRAND VOICE

CleanBricks sounds:

Clear. Friendly. Confident. Human. Professional.

The brand should feel like a capable person who knows what they are doing.

Not a corporation.

Not a salesperson.

Not a robot.

Example

Instead of:

We provide comprehensive residential cleaning solutions tailored to meet the diverse needs of our esteemed clientele.

Say:

We clean your space properly, so you can get on with your day.

22. WRITING STYLE

Use:

- Short sentences
- Simple language
- Active voice
- Clear calls to action
- Natural expressions
- British English
- Human language

Avoid:

- Corporate jargon
- Unnecessary buzzwords
- Long sentences
- Excessive exclamation marks
- Overly formal language
- Empty marketing phrases
- Aggressive sales language

The Rule

Write like a professional who genuinely wants to help.

23. MESSAGING

Core Message

Clean spaces make life better.

Supporting Messages

Convenience

You do not have to spend your day cleaning.

Quality

A proper clean should feel like a proper clean.

Trust

Your space deserves people you can trust.

Professionalism

Cleaning is a service. It should be treated professionally.

Experience

The goal is not just a clean space.

It is the feeling that comes after.

24. TAGLINES

Potential CleanBricks brand lines:

Primary Direction

Cleaner Spaces. Better Living.

Alternative

Clean Spaces. Brighter Days.

Alternative

A Better Kind of Clean.

Alternative

Your Space. Our Care.

Alternative

Clean. Fresh. Ready.

Campaign Lines

Come home to clean.

Leave the cleaning to us.

More time for what matters.

A fresh start for your space.

Taglines should be used as campaign or communication elements, not automatically attached to the logo.

25. SOCIAL MEDIA STYLE

CleanBricks social media should feel:

Useful + Human + Visually Clean + Relatable

Content Pillars

1. Cleaning Tips

Simple tips people can actually use.

2. Before & After

Show the transformation.

3. Behind the Scenes

Show the people behind CleanBricks.

4. Customer Stories

Show real experiences.

5. Property Care

Teach people how to maintain their spaces.

6. Lifestyle

Connect clean spaces to better living.

7. Brand Stories

Share what CleanBricks stands for.

Visual Style

Use:

- Strong typography
- Clean layouts
- Brand colours
- Real photography
- Simple graphics
- Minimal text overlays

Avoid overly busy Instagram templates.

26. WEBSITE COPY STYLE

The website should communicate within seconds:

What CleanBricks does.

Who it is for.

Why people should trust it.

How to book.

Hero Copy Direction

Large, clear statement.

For example:

A cleaner space starts here.

Supporting text:

Professional cleaning for homes, offices and short-lets across Lagos.

CTA:

Book a Cleaning

Secondary CTA:

Explore Services

Website Principles

- Clear navigation
 - Strong hierarchy
 - Short sections
 - Real photography
 - Simple booking journey
 - Visible contact options
 - Strong CTAs
 - Mobile-first thinking
 - Fast performance
-

27. CUSTOMER EXPERIENCE

CleanBricks should feel professional from the first interaction to the final clean.

Customer Journey

Discover → Enquire → Book → Confirm → Clean → Review → Return

Every stage should feel simple.

Before Service

- Clear pricing or quotation
- Clear service description
- Easy booking
- Confirmation message
- Arrival expectations

During Service

- Professional staff
- Respect for the property
- Consistent cleaning standards
- Clear communication

After Service

- Completion confirmation
- Feedback request
- Issue resolution
- Easy rebooking

Experience Goal

Customers should think:

"That was easy."

28. UNIFORMS

Uniforms should reinforce professionalism without looking overly corporate.

Direction

- CleanBricks logo
- Primary green
- White or off-white
- Charcoal accents
- Simple typography
- Comfortable fit
- Practical materials

The uniform should make staff immediately recognisable.

Avoid excessive branding.

29. VEHICLES

Vehicle branding should be highly recognisable but restrained.

Primary Elements

- CleanBricks logo
- Primary green
- Large, readable brand name
- Website
- Phone/contact information
- Short service description where necessary

Use large areas of negative space.

Avoid covering the entire vehicle with graphics.

The vehicle should look like a professional service vehicle, not an advertising billboard.

30. CLEANING EQUIPMENT

Equipment should reinforce the brand wherever practical.

Potential branded items:

- Cleaning bags
- Buckets
- Spray bottles
- Gloves
- Aprons
- Cleaning kits
- Storage boxes
- Equipment cases

Branding should be subtle and functional.

The goal is a **professional cleaning system**, not branded clutter.

31. PACKAGING

Where packaging is required, it should feel:

- Clean
- Simple
- Functional
- Modern
- Responsible

Use:

- Off-white
- Mint
- Green
- Charcoal
- Small yellow accents

Packaging should prioritise usability and clarity.

Avoid excessive plastic or unnecessary decorative packaging.

32. BUSINESS CARDS

Business cards should be minimal.

Front

CleanBricks logo.

Back

- Name
- Role
- Phone
- Email
- Website
- Social handle where relevant

Use strong typography and generous whitespace.

Do not overcrowd the card with services.

33. SOCIAL MEDIA

Primary Platforms

- Instagram
- TikTok
- Facebook
- LinkedIn
- WhatsApp Business

Platform Roles

Instagram: Brand, lifestyle, transformations and visual storytelling.

TikTok: Cleaning tips, transformations, behind-the-scenes and relatable content.

Facebook: Community, services, promotions and local discovery.

LinkedIn: Commercial cleaning, business partnerships and corporate credibility.

WhatsApp Business: Enquiries, bookings, customer communication and retention.

34. WEBSITE

The CleanBricks website should function as the brand's primary digital home.

Core Pages

- Home
- Services
- Residential Cleaning
- Short-Let / Airbnb
- Commercial Cleaning
- About
- How It Works
- FAQs

- Contact
- Book a Cleaning

Website Goals

1. Build trust
2. Explain services
3. Generate enquiries
4. Generate bookings
5. Communicate professionalism
6. Build brand credibility

Design Direction

The website should feel:

Fresh. Spacious. Modern. Warm.

It should not look like a generic cleaning company template.

35. COMPETITOR REFERENCES

CleanBricks should study competitors for **market understanding**, not visual imitation.

Reference areas should include:

Local Cleaning Companies

Study:

- Pricing
- Services
- Booking experience
- Customer communication
- Social media
- Photography
- Brand positioning

Short-Let Cleaning Providers

Study:

- Turnaround systems
- Host communication
- Property preparation
- Reliability messaging

Commercial Cleaning Companies

Study:

- Corporate positioning
- Service packages
- Contracts
- Facility management communication

International Property-Care Brands

Study:

- Brand systems
- Customer experience
- Digital booking
- Service design
- Scalability

Competitor references should be periodically updated as the Lagos market evolves.

36. DESIGN REFERENCES

CleanBricks should take inspiration from brands that demonstrate:

- Strong typography
- Simple visual systems
- Memorable colour palettes
- Human photography
- Minimal layouts
- Strong digital experiences
- Clear service communication

Design references should inform the system without causing CleanBricks to copy another brand.

Reference Principle

Borrow principles, not identities.

CleanBricks should always look like CleanBricks.

37. DO'S

Do

- Keep the brand clean and simple.
 - Use the approved colour palette.
 - Use ABC Diatype and GT Walsheim.
 - Maintain generous whitespace.
 - Use strong typography.
 - Use high-quality photography.
 - Show real people and real spaces.
 - Keep communication human.
 - Make information easy to understand.
 - Prioritise trust and professionalism.
 - Use the approved logo consistently.
 - Keep layouts structured.
 - Make the customer experience simple.
 - Think beyond cleaning and towards property care.
-

38. DON'TS

Don't

- Use Manrope or Inter.
- Introduce random brand colours.
- Use generic cleaning-company aesthetics.
- Overuse cleaning icons.
- Use brooms, mops and spray bottles as the main visual identity.
- Make the brand look like a construction company.
- Make the brand look cheap.
- Make the brand look overly luxurious.
- Use excessive gradients.

- Overload designs with green.
 - Use complicated layouts.
 - Use overly corporate language.
 - Use fake-sounding marketing claims.
 - Stretch or distort the logo.
 - Add an unapproved slogan to the logo.
 - Use low-quality stock imagery.
 - Copy competitors.
 - Introduce new fonts without approval.
-

39. FUTURE BRAND EXPANSION

CleanBricks should be designed with expansion in mind.

The brand should be able to move naturally from cleaning into broader property services.

Potential Future Categories

CleanBricks Home

Residential cleaning and home services.

CleanBricks Short-Let

Airbnb and short-let property services.

CleanBricks Business

Office and commercial cleaning.

CleanBricks Property

Property care and maintenance.

CleanBricks Facilities

Facility management and commercial property services.

Long-Term Opportunity

CleanBricks can evolve from:

Cleaning Company

into:

Property Care Company

and eventually:

Modern Property Services Brand

The visual identity should therefore remain broad enough to support these categories.
